TWO ANSWERS ARE FILED IN COURT

Friendly Partition Suit Commenced In Knox Co. Common Pleas Court

After a married life of a few days over a month, Dorothy Irene Copper on Monday morning filed a petition for divorce in the court of common pleas of Knox county against Frank L. Copper.

The plaintiff states they were married Aug. 12, 1919. She says that shortly after their marriage they went to Orrville to reside with the defendant's mother. She states that the treatments she received was such that she could not live there. She returned to Mt. Vernon, but later went back to Orrville to live with her husband, but was informed by the defendant's mother that "there was nothing doing." She charges cruelty and gross neglect and asks for an absolute divorce. The plaintiff also asks to be restored to her maiden name, Dorothy Irene McGugin.

She therefore asks that the mortgage on the real estate be foreclosed and that her claim be paid out of the proceeds of the sale. The attorneys for defendant are Treadway & Mariatt of Cleveland.

BEARDSLEE IS CHARGED WITH THEFT OF AUTO

Harry Perkins Swears To An Affidavit In Police Court On Sunday

SHERIFF RECOVERS OTHER PROPERTY

Search Is Made At Beardslee Home; Plumb Released By Officials

Harry Perkins of Mt. Vernon made an affidavit in police court Sunday afternoon charging William Beardslee with stealing and driving away an automobile.

Beardslee was brought out from the county jail and immediately given a preliminary hearing before Mayor Bair. Beardslee waived examination and was bound over to the grand jury. Bond was fixed at \$300, and the defendant furnished surety in a bonding company. He was then released from custody to await the action of the grand jury at the October term of common pleas court.

George Plumb, who was with Beardslee when the automobile was recovered in Newark Friday night, was released by the Mt. Vernon officials. No charge of any kind was filed against the young man, as the officers are positive he had nothing to do with the theft of the automobile. Plumb's father, who served two terms in the Ohio legislature, was in the city Sunday and obtained the release of his son. Young Plumb again told the officers that he did not know the car had been stolen when he was invited by Beardslee to drive to the Licking county fair.

Suit Is Recovered
Sheriff Mosholder went to Galena Sunday afternoon where he made a search of Beardslee's premises for a woman's suit which was in the automobile when it was stolen on the night of August 30.

Sheriff Mosholder was successful in locating the suit in the hay-loft of a barn, buried under the hay. The suit was still in the box in which it had been placed when purchased, and according to appearances had never been removed from the box. The price tag was still on the suit. Mr. Perkins stated Monday that the suit was valued at \$70. The suit was returned to Mr. Perkins on Monday morning.

Pump Is Found
While searching in the haymow Sunday afternoon, Sheriff Mosholder also found the pump which was missing from the automobile.

Cap Returned
Chief of Police James Sheridan of Newark was in Mt. Vernon a short time Monday morning and delivered a cap from the crank shaft of the Perkins machine. The cap was picked up by the Newark police last Friday night shortly after the machine was recovered.

Still Searching
The Mt. Vernon officials are still searching for another man alleged to have been connected with the theft of the automobile. Sheriff Mosholder is of the opinion this man resides in Columbus and that he was really the man who stole the Perkins automobile. Columbus police have been requested to search for the man.

BURGLARY AT BANGS STORE

Several Pairs of Shoes Stolen, But Money Not Disturbed In Cash Register

BANGS, O., Sept. 15—Burglars entered the general store of Clark & Higgins sometime Sunday night or early Monday morning and stole a number of shoes.

The burglars gained an entrance into the store by removing a glass in the front door. The interior of the store was ransacked. Shoes were scattered all over the floor and from the appearance the burglars must have tried on the shoes before taking a number of pairs. The shoes taken were for young men, which led the proprietors to believe that the burglar was the work of boys.

The cash register was opened, but as it only contained a few pennies, the burglars did not disturb any of the money. The burglars also visited the postoffice, located in the store, but as far as can be learned nothing was stolen.

Sheriff Mosholder and Deputy Sheriff Lytle of Mt. Vernon arrived here early this morning and viewed the scene of the burglary. They obtained no clue.

When the burglars left the store they unbolted the rear door and escaped through an alley.
